Council discusses preventive services

Further discussion took place at the March 1 meeting of St. Albert Council on costs and regulations of welfare. A bylaw has been drafted to establish a Preventive Social Services Board and submitted to the

Department of Social Development. At their meeting of Feb. 15 council had discussed the bylaw and the concept of preventive social services, and the hiring of a director for the program. Councillor Kambourff

was firmly against the hiring of a director and setting up a preventive social services board, on the grounds that another board would bring duplications of services and increases in costs. He felt welfare costs were already too high. Councillor Kambourff suggested that the Sturgeon Health Unit was the agency best suited to co-ordinate welfare and preventive social services. They are doing preventive work now, and are familiar with the situation of various age groups, and have qualified people. Given extra funds the health unit could do a better job at a lower cost than the proposed new board, Councillor Kambourff felt.

Councillor White was against further wage increases for welfare, but said he would not be opposed to extra money going to the health unit. "It is difficult for preventive social services and the health unit to work together" said Councillor Lukay.

Councillor de Bruijn said either "we believe in social services or we don't - they have value and we should not run away from our responsibilities. We should try to assist in solving problems. Both Councillors Hudson and Russell said they would like to hear from the Help Society. Councillor de Bruijn felt council should

Angry residents say Town misled them

Some 60 irate homeowners in the Grosvenor-Grenfell-Cresham area of Grandin Park are taking steps to stop the rezoning of a parcel of land. Located just west and south of the Grandin Shoppers Park, the land is zoned P (public use). First reading has been given to a bylaw changing this zoning to commercial.

The residents of the area, some of whom are paying in excess of \$1,400 property taxes annually claim they were misled by the town in that they were given to understand that the land in question was designated parkland.

By a show of hands about 20 of those at the meeting, held at the Legion Hall, March 2, indicated they had been told by Jim Roberts, St. Albert development officer and then parks superintendent Andre Gate, that the land was indeed parkland.

Mayor Ray Gibbon, who had been invited by the group to "sit-in and listen," as had all council members, was the lone elected representative at the meeting. From the moment he

joined the meeting, questions were fired at Mr. Gibbon, who, as the evening wore on, seemed to become increasingly frustrated when his replies to questions from the protesters were either not listened to, or as in several cases, completely misinterpreted. At one point in the heated discussion, the mayor told a member of the group "I would suggest that before you go off half cocked, you open your ears."

A number of those present had been under the

Hanger Drive

No hangers - no costumes! This is the dilemma facing the 18 member majorette corps, organized recently to add a little extra color to the Lions Community Band.

The girls are conducting a drive for clothes hangers, the wire type, to help defray costs of uniforms.

Hangers, preferably tied in bundles of 25, may be left at Emery's Pipe Shop or at Father Jan School,

Good response to Stop Smoking Plan

Some 50 smokers, who soon hope to be non-smokers, are presently attending the current session of the Five Day Plan to Stop Smoking at SAM.

Conducted by Dr. S. Tarangle and Mr. H. Johnson the session got under way last Sunday night.

Guest lecturers have included Mike Andrews, head of the school of respiratory technicians at NAIT who spoke on respiratory diseases Tuesday evening.

Dr. C. Hawrish will discuss tobacco and its effects on the mouth, Wednesday evening. On the fifth day of the program a group of students from the Coral-

wood Academy will come out with their "smoking dummy" for a demonstration on the perils of smoking.

Local priests attend Western Conference

Fathers Collin Leverage, Jacques Joly and Uvalde Duchesneau of the St. Albert Parish team are attending the fourth annual Western Conference of Priests at the Saskatchewan Hotel in Regina this week. Theme of the conference is "A new heart and a new spirit."

Cardinal Leo Suenens, primate of Belgium, will give the keynote address on "Co-responsibility in the church." The outspoken, progressive Archbishop was one of the leading figures at the second Vatican Council. His views on co-responsibility in the church continue to have repercussions throughout the entire church. Active in the fields of church unity and the ecumenical movement, he has written several books, ranging from "A Nun in the Modern World" to his credo "The Gospel to Every Creature."

The conference will also hear Dean Joseph Matthews Dean of the Ecumenical Institute in Chicago. The specific task of the institute is to enable both massive theological education and experimental community formulation to serve as the expression of the church's mission.

Third major speaker is Bishop Remi De Roo, Bishop of Victoria, B.C. He is on

the board of Canadian Catholic Conference of Bishops, for which he is in charge of communications. The Bishop's progressive Diocesan and renewal policies are often featured in the press, especially as they relate to co-responsibility of lay people and priests.

He has co-authored a book with Edmonton's Douglas Roche, "Man to Man 1970." In addition to programmed addresses and study, the conference provides an opportunity for informal discussions and exchange of ideas among the priests working in Western Canada.

Henderson to discuss Sturgeon River

The Hon. James Henderson will be guest speaker at the March 17 meeting of the St. Albert and District Fish and Game Association.

The health minister, whose main topic will be the Sturgeon River Development Scheme, also plans to touch on several pieces of new legislation presented to the current session. These will include the department of the Environment Act, the Clean Air Act, the Clean Water Act and the Alberta Environmental Research Trust Act.

Mr. Henderson, who is probably Alberta's most controversial cabinet minister in Fish and Game circles, has indicated he would not mind taking the "Hot Seat" on questions concerning the environment.

Mr. Henderson will be the minister in charge of the Department of the Environment and has introduced the aforementioned environmental acts into legislature. The following statements are also attributed to him.

The CHICKEN MAN flexes his muscles prior to being introduced to Mayor Ray Gibbon Monday night. In making the introduction Kinsmen Dave Stewart stated that the Kinsmen had gone to great expense and searched the northern hemisphere in search of a world renowned skater, to challenge the Mayor to an endurance contest at the annual Skate-a-Thon on March 21st. Starting time is twelve noon. Mayor Gibbon himself holds a number of honours in the skating field, and last year beat out the Kinsmen President, Tom White on a Skate-a-Thon challenge. Chicken Man's identity is a closely-guarded secret, but it is rumoured he is a Siberian champion.

Seven young ladies will be vying for the title of Figure Skating Queen. The winner will be crowned at the carnival which will be held March 27 in the St. Albert and District Arena. Candidates are, front left to right Avril Bradley, Lynda Matear, Edith Hunt and Kathy Husband. Back row: Betty Kramps, Debbie Reinhold and Alice Bots.

Rose Anna Veness Long time resident dies at 97 years

One of the oldest of St. Albert's residents, Mrs. Rose Anna Veness, passed away peacefully at Youville Home on March 3 in the 98th year of her age.

Mrs. Veness was born in Ottawa on April 13, 1873, the eldest child of Joseph Leonard and Celine Page. The Leonard family moved to the West from Ottawa in 1894 and settled in the little mission village of St. Albert, 10 years before it was incorporated as the first town in Alberta. In 1894 Rose

Anna took over the duties of postmistress, a position she held for 12 years. Three years later she became the first telephone operator, giving service to the village and surroundings for the next 11 years.

In October 1908 she became the bride of Walter Lewis Veness, a native of Norwood, Essex, England, and the family continued to make their home in St. Albert.

Mrs. Veness was predeceased by her husband, Walter, by her daughter, Mrs. Angus McDonald (Cecile) and by her stepson Arnold. Surviving are one son, William of St. Albert a stepdaughter, Sister Teresa, Ursuline Convent, Edmonton, 13 grandchildren and 12 great grandchildren.

Funeral services were held Saturday, March 6 at 11 a.m. in the Roman Catholic Church, St. Albert. Father Jacques Joly officiated, assisted by Father Colin Levangie. Mrs. Berta Kennedy was organist and soloist was Mrs. Leon Teller.

Interment was in the family plot in St. Albert Church Cemetery.

IMPERIAL OIL LIMITED ANNOUNCEMENT

The Automotive Division of Imperial Oil Limited is pleased to announce the appointment of Roger Caouette, Roger's Esso, #7 Muir Drive, St. Albert as a franchised dealer. Mr. Caouette who has been in the service station business with Esso for nine years, has recently completed Imperial's newly developed franchise training program. This six month management program assists franchised dealers in providing superior customer service and guaranteed automotive mechanical capability. The Esso franchise program is unique in the service station industry.

Zoning matters before Council

First reading was given a bylaw to rezone three areas in phase 4 of the Alcan development in Forest Lawn from Residential Comprehensive to Residential-one family, Public Use and Commercial Class two. In reply to a question by Councillor Lukay, planner Woodroffe said the outline plan had been approved by council and that the C2 portion was limited to businesses such as groceries, drug store, hairdresser and similar. He noted also that overall planning allowed for major commercial areas downtown and small local developments such as this to serve basic needs various districts.

The Forest Lawn one he felt would serve Brasseide as well, and one is approved for Lacombe Park as well. Councillor Kambourff observed that the developer's agreement for this rezoning was signed on the basis of the outline plan before the people moved in. First reading passed unanimously and public hearing is set for March 15.

Second reading was given bylaw to rezone five lots along Sturgeon road from Residential 3 (multiple family) to Residential 3A (walk-up apartments). Third reading was held pending approval of a plan and registering the necessary sub-

division. Developer, Mr. Vance of Selective Investments, said he was "not enthusiastic about doing the subdivision." I think the town should make it up and we will dedicate the town's portion. The planner pointed out that the subdivision was a condition of the zoning, and now council should receive an assurance from the developer that he wants to come in. Mr. Vance stated that the lender must know the zoning is approved. The mayor repeated that council must have the plan before third reading, and that six weeks had gone by, without an application for subdivision, so that it wasn't council causing the delay. Mr. Vance again questioned why he should pay subdivision costs, and was informed by the mayor that this is town policy for any developer in St. Albert.

First reading was given a bylaw to rezone portions of land to the west and south of Grandin Shoppers Park from Public Use to Commercial Class 1 and public hearing was set for March 15 at 8 p.m.

Council considers Library request

Mr. Robert Green, chairman of St. Albert Library Board, attended the Feb. 15 meeting of town council and turned over annual report and budget estimate. Councillor Kambourf asked why the board was budgeting for an increase in salaries, and Mr. Green explained that it was to provide for hiring a full time professionally trained librarian. He observed that about half of the library users were of professional or academic calibre, and with expected growth of users after the

university is operating, a trained librarian is needed, and the board would like to hire one in the coming summer.

The report showed a large increase in membership in 1970, amounting to 31 per cent. There were 2,044 members in 1969 and 2,646 in 1970, of which about 1,600 are children. The membership increase is reflected in the circulation figures, which was increased by over 12,000 to 54,159 in 1970. The average member takes out 21 books per year.

Councillor Russell stated

that he supported a professional librarian. Mayor Gibson pointed out that last year the town approved one mill for the library, setting a precedent, as previously the library board operated from a year-to-year basis. The proposed budget would require 1.1 mill, said the mayor.

Mr. Green said that the proposed librarian would be on staff only seven months in 1971 and that the extra .1 mill would be adequate to look after the full year's salary in 1972 also. He also stated that the board would have to advertise for the position in February if a librarian was to be hired for June. Councillor Lukay

said "we should approve this request."

Library budget estimate for 1971 breaks down as \$22,880 from 1.1 mill; \$7,897 from provincial grant of 75 cents per capita; \$1,700 from fees and other receipts, for a total of \$32,477.

Secretary O'Connell felt it would be unwise to approve any section whatsoever of the budget, prior to Council holding their overall review. A motion carried 6-0 to take the matter into the budget study, and the mayor pointed out to Mr. Green that the board "will have roughly \$20,000 from the town budget - do what you can."

The last of 250 people to go by the buffet table at the third annual Wildlife Buffet and Trophy Ball. Dishes enjoyed were Moose done three ways, Deer, Elk, Bear, Porcupine, Rabbit, Grouse, Geese, Ducks, Trout, Pike, and Smoked Whitefish. For those who weren't quite sure of what to try there was some "Alberta White Face." A choice of five wines was available during the dinner. Mr. Hugh McKenzie entertained with his stylings on the Hammond while the guests were eating. Hugh was the winner of the Kayak drawn for during the evening.

This year, for the first time, the St. Albert and District Fish and Game Association had a triple winner. Mr. Lee Helght, in centre, took the biggest moose (158 2/8 points), the biggest elk (336 points) and the largest bear (16 3/16 points). Other big game trophy winners were Rock Lemieux, at left, with the largest mule deer (46 6/8 points), and Larry Batiuk for white tailed deer (102 5/8 points). The presentations were made by President Don Hayden at the Wildlife Buffet and Trophy Ball held Saturday evening at the St. Albert Community Hall.

Claude Valliere, left, was awarded the Fish and Game membership award at the association's annual Wildlife Buffet and Trophy Ball. Pierre Elliott Trudeau was named winner of the "Hunter of the Year" trophy, being accepted by well known local Liberal, Bob Russell. This award was the first of its kind by the club, and was presented to the "hunter" who achieved success with the greatest degree of stealth. The trophy was inscribed: Hunter of the Year - Pierre Elliott Trudeau - 1971. Awarded by St. Albert Fish and Game Assoc. The trophy has been forwarded to MP Marcel Lambert in Ottawa for presentation to the prime minister on his return to the House of Commons.

Upland Game trophies went to Jim Gregoriuk, left, for Ruffed Grouse, and Eugene Bilaway who had the largest pheasant entered for 1970. The bird measured 34 inches.

Fish trophy winners from left to right - Lucien Montpetit, Pickerel - 5 lbs. 10 1/2 oz.; Siegfried Moellering, Perch - 1 lb. 4 oz.; Peter Serink, Whitefish - 2 lbs. 6 1/2 oz.; Len Roberts, Northern Pike - 9 lbs. 11 oz.

Minor Exhibition hockey

The K of C mite team coached by Jim Drysdale had a busy weekend playing five games and won them all. They upset Legal 3-0, Fulton Place 6-3, Morinville 8-0 and Hazeldean 3-0.

On March 8 they played host to the Eastwood Mite A team at Mission rink and came away with a 4-2 win.

During the five games Ray Enright scored seven goals and was followed by Gerry Klein (five), Larry Sander and Doug Bendera (four) each.

This Sunday night at 7:30 p.m. the K of C Pate Double A team from Edmonton will play an exhibition game against the St. Albert Piranhas in the arena. Admission will be charged.

High Park Shaver A team scored a 6-2 win over the St. Albert Colts last Saturday. Kevin Jackson scored both Colt goals.

MIDGET PLAYOFFS

Last Sunday the Wildcats lost 5-2 against the Fort Saskatchewan midgets in the first game of the best of three semi-finals. Jan Jensen and Dennis Boudreau scored for the Wildcats who will play the second game in St. Albert this Thursday at 8:30 p.m.

The other series sees the St. Albert Bruins going against Leduc. Date and time of games will be announced.

RECREATION Hi-Lites

Most winter recreational activities are drawing to a close after a busy season and spring and summer programs are still in the planning stages.

In spite of the masses of snow still lying around, spring really is just round the corner and a call will be sent out shortly for coaches for summer activities: baseball, soccer, softball, etc. When planning for summer include some time for coaching or managing a team of boys or girls.

St. Albert has a very high proportion of young people

and each year there is increased participation in all activities. Those the recreation department at 599-6601 if you want to volunteer your services - or if you would like information about what goes on in St. Albert during the spring and summer.

GOLF

The first session of the learn-to-golf school was held last Wednesday. From March 10 there will be two classes held in St. Albert High School: 6:30 - 7:30 p.m. and 7:45 to 8:45 p.m.

Day out for young mothers

The structure of our community has changed in the past generation. Often young mothers do not feel free to call on their neighbors to help out with babysitting. Many neighbors are busy or are not geared to looking after other children. Due to the mobility of our so-

cietly the family is not always close to relatives during a time of need.

These were some of the thoughts shared with the St. Albert Help Society by Mrs. Irene McGuire at a general meeting held in the United Church basement. Mrs. McGuire instigated a Mothers Day Out program, in St. Joseph's Cathedral, which is in its second year of operation.

The St. Albert Help Society is proposing to coordinate a similar program, in the United Church where space has been donated for Thursdays of each week. The program is for anyone with pre-schoolers, non-denominational with volunteers making up the staff. Day care standards will be followed in arranging the service.

Mothers will be asked to book ahead and to inform the co-ordinator of a cancellation. Mothers can take advantage of the program to go shopping, or golfing, see a movie, have their hair done, lunch with their husbands, paint a chair, sleep, schedule a medical appoint-

ment, or whatever they wish. The cost will be 50¢ per child as a minimum charge per day including lunch. The suggested hours are 9 a.m. to 3:30 p.m. which will fit in with local bus service. If any St. Albert residents are interested in volunteering their services for this program please call Mrs. Fyfe 599-3966, Mrs. Lovett 599-5078, or Mrs. Kutz - 599-8952.

Dr. Sidney M. Jourard states in his writings, "Society seems to conspire such that there is nowhere to go when you want to be offstage, free from your usual roles, free to discover and define your being-for-yourself." June Sheppard in a recent column mentioned the many occasions over the last few months she has been informed of the number of mothers of small children who go in and out of psychiatric wards when their life pressures become too hard to handle.

We hope our community sees the need for this Preventive Social Service Program.

If anyone has any doubts about times phone the recreation department. HERCULES BASKETBALL The Hercules Basketball team will be playing a team from the Central "Y" on Wednesday, March 10, last week the local team lost to the Boys' Club.

DEALER INQUIRIES INVITED

Reports from the Legislature

by Keith Everitt (SC)

Some progress is now quite evident since the amendment of non-conformance in the government was defeated. The amendment was of course concerning unemployment.

Last Monday I introduced a bill (131) which received first reading. This bill amends the Municipal Taxation Act. I expect there may be some misunderstanding of this bill, therefore an explanation in some detail is in order. The whole problem stems from the seemingly impossible situation of defining a bonafide farmer. The three prairie provinces today exempt a farmers dwelling and farm buildings from assessment and taxation. Under the present legislation a farmer is defined as an individual who receives his principal in-

come from the growing of agricultural products, if he owns under 20 acres of land.

However, if he has 20 acres or over, the act then reads he must obtain sufficient income to maintain a livelihood, or according to the act the equivalent of the senior citizens pension which is in the neighborhood of \$1,320 per year.

What has been happening in recent years in the areas surrounding our cities? A number of small acreages have sprung up on the outskirts of Edmonton and many in our municipality which have given us all cause for concern. Legislation is such as I have just pointed out that if you own over 20 acres of land you can make \$1,500 a year, maybe by the sale of one good race horse, you will qualify as

a farmer and your house will not be assessed and taxed. By the time you receive the homeowners discount you will find you are paying very little taxes if any. I'm sure our "urban farmers" will be the first to agree that this is an unfair situation and as much as we would all like to get into a situation like this we also know that it is impossible to have good schools and roads etc. such as we have here in Sturgeon without paying a fair share of taxes to our municipalities. We have been informed that about 10 per cent of our assessment in Sturgeon has changed from residential to farm assessment which means an increase of about four mills to the rest of the ratepayers. The chart below which was provided by Walter Van De Walle, indicates the problem.

LAND	BUILDINGS	TOTAL ASSESS	TAXES	PAID AFTER \$50 HOMEOWNER
A 3 ACRES	\$1500.	\$8500.	\$10,000	\$700.
B 3 ACRES	\$180.	\$9500.	\$9,680	\$12.60
C 25 ACRES	\$1000.	\$10000.	\$11,000	\$70.00
D 25 ACRES	\$1000.	\$40000.	\$41,000	\$70.00
E 800 ACRES	\$25000.	\$15000.	\$40,000	\$1750.00
				\$1,700.00

NOTE -- B is classified as farmer because he declares his principle income from producing agriculture products.

C is classified as farmer because he declares he obtains income sufficient to provide a livelihood.

Library Board Appointments

Four new members were appointed to the St. Albert Library in January: Mr. Peter Wood and Audrey Wood, Rosemary Michie, and Ardis Kamra. Others serving under Chairman Robert Green are Anne Hapchyn, Margo Johnston, Ray Dolfin and Jack Williams.

The board is pleased to have the services of Mrs. Kamra, who holds a bachelor of library science degree from the University of Toronto. She was formerly head of the Kildwyde Branch of the Edmonton

Public Library, and has served at the University of Alberta's Cameron Library. In addition she spent a year organizing, cataloguing and setting up the elementary and junior high school libraries of the St. Albert Protestant School Board.

In addition to her degree in library science, Mrs. Kamra holds a master's degree in elementary education and a bachelor of arts degree from the U of A and is presently completing studies towards a doctorate in educational media from

the University of Washington at Seattle. She is co-ordinator of visual education for the audio-visual services branch of the Alberta Department of Education.

ST. ALBERT & STURGEON GAZETTE

by Hugh Horner (PC)

The Legislature has spent its time debating the Throne Speech which, of course, is the Government's agenda for the session of the legislature. It was a pretty routine Throne Speech in my opinion and didn't bring forward anything new or very exciting to the Province of Alberta. It failed particularly to put any emphasis on the agricultural situation and I was disappointed in this.

We have again this year been presenting our ideas to the Legislature in a number of ways. We are using the petition method this year which hasn't been used for a number of years; we are also using the method we used last year, that is the placing on the Order Paper Private Bills outlining our stands. I would particularly like to mention the one that I have on the Order Paper now called Rural Telephones Act. This would eliminate the very serious problem we've had in regard to what

toll free areas a person would be in. The Bill simply states that instead of engineering being the primary concept in what exchange would be on, that people have to be considered and that they would have to hold public meetings and have regard to municipal, hospital and school boundaries as to what area and what exchange a person was in. It seems to me that the people should decide, not the engineers. The govern-

ment continues to put forward the idea that in fact they are really subsidizing the rural telephone user so that therefore we shouldn't complain. I reject this idea completely and in fact I think it can be shown that the long distance toll revenue is paying a good return on the investment that the AGT has in the rural underground.

If anybody is interested in receiving a copy of this Bill or any other information, please feel free to get in touch with me at the Legislative Building in Edmonton.

How to get a tax deduction without getting married.

If you think the only ways to get a tax deduction is to take a bride or have some kids or stack up medical receipts, you should find out about section 79B.

Ever hear of it?

It's that part of the Income Tax Act that permits you to deduct up to \$2500 from your annual earned taxable income for the purchase of a Registered Retirement Savings Plan.

At Metropolitan Life, we have many plans, in both annuities and permanent life insurance that are eligible for registration. These plans let tax-deductible dollars help you build a retirement income.

Send me the coupon below and I'll tell you all about Section 79B and how to save or defer substantial income tax dollars.

Hockey Playoffs

This Wednesday night the St. Albert Pirates will host the juvenile team from Ardrossan in the second game of a best of three semi-final series. Ardrossan currently leads the series 1-0.

All mite, pee-wee and bantam league playoffs will get underway April 5.

Comets Lose Provincials To Stony Plain

Strong goaltending by Doug Milne of the Stony Plain Eagles was probably the main reason the Comets are out of the Provincial Playoffs.

Last Friday in St. Albert before a packed house the Eagles scored a hard fought 5-3 win over the Comets. Stony Plain took a 1-0 lead on a goal by Ed Stoyko at the 7:55 mark of the first period after the Comets had been robbed of some good scoring chances. Comets tied the score on a goal by Terry Dube after he was set up on a nice play from Ray Lamer. The first period ended one all.

Stony Plain again took the lead on a goal by P. Golinski while Joe Cassidy was sitting out a tripping penalty. At the 17:42 mark of the second, Richie Perrault scored an unassisted goal to put the Comets on even terms once again. Less than a minute later the Eagles took a 3-2 lead on a goal by Warren Van Corra as the second period ended.

P. Golinski scored his second goal of the game at the six minute mark of the third period and this also turned out to be the winning marker. The goal came just 39 seconds after Ron Kalita was off for a tripping infraction. George Matsuba put the Eagles ahead 5-2 with his goal at the 9:58 mark of the third. Frank Joyal brought the Comets to

within two of the Eagles as he scored a beautiful goal at the 17:30 mark of the third as the Comets were pressing. Art Scott drew the assist. Both teams split the 10 penalties.

JOE CASSIDY

For some reason the Comets just couldn't seem to get their passing plays working and the odd time

they were able to they couldn't score. High scoring forwards Jim Read and Al Laplante had only four shots apiece on goal which is well below par.

Down two goals in the two game total point series, the Comets headed for Stony Plain on Sunday hoping to pick up a couple of quick goals to put them back in the series. There hopes were washed down the drain early in the first period as the Eagles took an overpowering 4-0 lead. Goal-tender Bernie Alain was given little protection in the Comet goal as his defense faltered time and time again. Joe Cassidy finally put the Comets on the score sheet in the second period but this was not enough as the Eagles skated away with a final 10-1 win. They won the series 15-4 and were in command in both games.

Local Winners at Seed Fair

The 25th annual Calgary Seed Fair and Hay Show, held earlier this month, again attracted entries and visitors from all parts of the province.

Surgeon district exhibitors fared well as this list of local winners shows.

Two Riviere Qui Barre farmers, Gordon J. Perrot and Fred J. Kaup placed third and ninth with their Garry Oats exhibit. James J. Verbeek of Calahoo placed fourth in this section. Charles Victor of R.R. 1, St. Albert placed 10th with his entry of Gateway malting barley.

In the feed barley class two district farmers were counted among the winners. Fred Kaup placed fourth with his Jubilee entry, while D and R. Victor of Morinville, showing the Galt variety, placed sixth.

An entry of Conquest malting barley won a fifth place in the Class 22 competition for A. McDowell of Morinville.

S. Meaken of Alcomdale, with an entry of Herta feed barley placed third. Two

Morinville men, J. McGilles and Bud McGilles placed second and fifth with their entries of Galt.

Mouth Guard

If you want your youngster to take that "schoolboy grin" to college with him, better get him a mouthguard or face mask and make sure he uses it properly.

That's the advice of a sports-minded spokesman for Continental Casualty Company to the parents of budding young athletes in schools across Canada.

Injuries to the mouth and teeth are a major source of the some \$2 million in medical-dental-hospital bills which Continental pays annually on behalf of the more than one million school children under the company covers under its comprehensive student group accident insurance plans.

Bustly at work processing new books and materials are some of Leo Nickerson School's volunteers. Ten mothers devote a half-day per week assisting in the school library.

Volunteers asset to local schools

The two St. Albert elementary schools currently involved with a parent volunteer program report good results.

Mothers of students at Leo Nickerson and Robert Rundle schools have been engaged in library work, putting in roughly a half day per week each processing new books and repairing books with minor damage.

Librarians at both schools feel that with these tasks taken off their work load they are now able to spend more time working with the students.

Mrs. Kaye Iseke, librarian at Leo Nickerson, said some of that school's volunteers, who receive only

appreciation and gratitude for their efforts, are involved in the program for the second year.

Lowell Thronson, principal of Nickerson, eventually hopes to see the volunteer program expand to provide some form of tutorial assistance to students and staff members in other areas of the school.

At Robert Rundle library-aids in addition to assisting the school's librarian Mrs. Horn, provided much appreciated help supervising noon lunches during the blustery winter weather.

Mothers wishing to join either school's volunteer roster are invited to call Robert Rundle, 599-8626 or Leo Nickerson at 599-8238.

Rosses enjoy New Zealand

A note from Nell and Sadie Ross reports that they had smooth sailing and enjoyed "living in luxury" aboard the beautiful ship, "The Arcadia," which carried 1,078 passengers on the run from Honolulu to Auckland. There was lots of entertainment such as a Fancy Dress Ball, Horse-Race Meet and an English Pub night, and they also had an interesting day ashore in Suva.

Auckland they found to be a beautiful and clean city, with many parks and very few high-rises. They visited Bob and Anne Brandie who were well and happy in New Zealand. Bob drove them out to visit Jim Sharpe's cousins, Jim and Peggy Grassick. The Grassicks are dairy farmers and Mrs. Ross described the drive as a "series of pictures" through hilly green countryside, with herds of cattle and flocks of sheep all looking fat and contented.

They spent a day at Rotorua, somewhat like Yellowstone, only the geysers are unpredictable and hot pools steam up all over the city. This gave Sadie the feeling that they were "one story above Hell," and should be on their way. Another day was spent at Mt. Cook.

Christchurch they report to be very British in the

style of shops and hotels. They enjoyed the abundance of flowers and parks, and their hotel room looks out on the beautiful Anglican Cathedral. The people are most friendly and courteous and the Rosses felt that New Zealand was a delightful part of their trip.

Said the head of the data processing department to the company executive: "The slowdown is due to a situation we should have foreseen, sir. The big computer is shoving all the work off on the little computer."

Mrs. Michael and her son Gilbert from Delmas, Sask., were weekend visitors at the home of Alford and Adelaire de Champlain.

The next lose to win parties will be held on March 15 at 8 p.m. in the school gymnasium. The guest speakers will be two home economists from the University of Alberta, who will be giving a demonstration on "Low Budget." We hope all the ladies will make an effort to attend.

Open House from 1 p.m. to 5 p.m. for craft display at the YWCA, 10032 - 103 Street, Sunday, March 21. Ladies are welcome to see the displays of rugs, needlepoint wall hangings etc. under the instruction of Mrs. Nujack.

The Figure Skating Club wishes to thank everyone for their generosity at their cake sale held last Saturday. Special thanks are extended to the Co-op management and to Dan Montpetit for allowing the club to hold the sale. The winner of the cake at the Co-op was Louise Borden and the winner of the cake raffied at Dan's Grocery store was Loretta St. Jean.

The proceeds of the sale went to the arena.

Father Bissonnette left Sunday to attend a five day study session in Regina.

The CWL will hold their St. Patrick's bake sale on March 13 at the Co-op. Donations will be greatly appreciated.

Les Femmes Chretienne will hold a ham and turkey bingo on April 4 at the Community Centre.

Mayor Leon St. Martin and his wife returned last Friday from a three month holiday.

Mr. and Mrs. St. Martin enjoyed a warm and sunny Christmas in Phoenix with Mrs. St. Martin's brother. They also visited Mrs. St. Martin's four brothers in California. They travelled as far as Porto Laveria, Mexico. They returned home Friday via Vancouver.

Mr. and Mrs. Arleblanc Mr. and Mrs. Ernest L'Heureux and Mr. and Mrs. Jeremie Fortin were weekend visitors at the home of Mr. and Mrs. Jos L'Heureux.

The Christopher banquet will be held on Friday, March 19 at the Community Centre. Information and tickets are available from all members of the course or phone the president - Richard de Champlain.

Morinville Locals

Anyone interested in fastball or softball coaching or referee work who would like to attend a clinic for that purpose, is asked to contact Paul Boissonnault - phone 256-3110 days, 256-2348 evenings, before March 18.

The Morinville Girl Guides will hold a St. Patrick's tea and bake sale in the Legion Hall from 1:30 p.m. to 4 p.m. A cordial invitation to all citizens to come and support their local guides.

The Morinville Christian Ladies are sponsoring a show of spring fashions, clothes supplied by Woodwards, in the recreation centre, March 26 at 8 p.m. Fashions will be modelled by Morinville and district ladies, men, teens and children. Door prizes have been donated by Mrs. Joffre Kramer, local Avon saleslady. Conveners are Mrs. Real Cormier and Mrs. Ray Giesse. Advance tickets on sale at most local places of business.

Miss Irene Schayes was guest of honor at a bridal shower held Sunday, March 8 in the Legion Hall with some 50 guests present. Hostesses were Miss Lorraine Schayes and Mrs. Patricia Podgurny, bridesmaids. Seated at the head table were Mrs. Edward Schayes, mother of the bride to be, Mrs. Firmin Devolder, mother of the groom, and the hostesses. Many beautiful gifts were presented to Irene who will become the bride of Denis Devolder on March 20.

News of the death of Mrs. Elise Bougie, who passed away March 1, victim of a heart attack at home, was received with shock by her relatives and friends in

Morinville. Mrs. Bougie, 69 is the sister of Mrs. Armand Chailfoux. Funeral services and interment were held in Edmonton. She is survived by her husband, Joe, three sons; Georges, Edmond; Roger, Whitecourt; Edmond Vancouver. Mr. and Mrs. Joe Bougie and family were residents in the town from 1946, when they purchased the old Morinville Bakery from R. Robert. In 1949 fire destroyed their premises on main street, located where Morinville Machine Shop is now. They then moved to Vancouver where they resided for several years. They moved back to Edmonton some years ago, and were members of St. Edmund's parish. To the bereaved family a sincere expression of sympathy.

The Town of Morinville annual meeting was held March 4 with 20 ratepayers in attendance. Matt Teller chaired the meeting. The mayor's report and other reports were accepted. During the question period that followed, interest was shown in the development of the street programs underway at present time.

Last week 40 members of the Morinville Figure Skating Club were tested for their gold, silver or bronze medals. Congratulations to all taking part. Thirty-four members passed their tests. Many of these young people will be seen in action Sunday afternoon at the Morinville Ice Carnival.

Mr. Karl Masiyk recently returned from a holiday trip to BC.

Mr. and Mrs. Claude McDonald welcomed their first born, a son, Trevor Steven, Thursday March 4.

The Morinville Board of Trade held their March sup-

per meeting with 19 members present and Mr. Ernie Jamson of the Gazette as guest. Don Found submitted the new Morinville pamphlet for approval, and it was agreed that with the town council's approval, the final draft should be given to the Alberta Government for publishing.

Mr. and Mrs. Ferd Vervynck entertained on the occasion of the engagement of their only daughter, Doreen to Ken Lesburg, son of Mrs. Olive Vess and the late Georges Lesburg of Morinville.

The Morinville Curling Association annual \$10 sportsman supper will be held on Saturday, April 17, in the Morinville Recreation Centre. Advance tickets are available from the directors

Miss Marylyn Ramsay and Miss Shirley Weiss attended a bridal fair at Edmonton Inn on Sunday. Miss Ramsay and Mr. Donald Weiss will be married on May 1st.

Miss Brenda Rye of Namao was the winner of a lamp at the bridal fair Sunday. She is the grand-daughter of Lawrence Rye, well known pioneer farmer of the district and former MD councillor.

Shown with principal Bob Prather are members of the visiting Russian ladies' basketball team who defeated the school team 29 - 22 in a game played at Simpson Junior High last week. The Gazette regrets it is unable to identify the visitors for its readers. When asked for names, the tough looking team captain, who declined to undergo a physical examination, replied "Nyet, No Namaskis."

The Russian basketball players did not come alone. This remarkable cheerleading squad lent charm, soviet style, to the game played at George Simpson last week. The school's gym will never be the same again. A reliable spokesman informed us anything goes with these gals!

Goings on at Paul Kane

By Holly Hill

Last week all of Paul Kane's clubs were active. The Yearbook Club met to discuss the outcome of Photograph Week. Anyone that still has pictures may enter them in the competition.

The Radio Club has asked Student's Parliament for a grant of \$20. Student's Parliament does give \$20 to any club of 10 or more members, if they need it for equipment.

The Drama Club has need of more members. So if you're interested in becoming an actor or actress, or would like to work on lighting and props please contact

Mr. Lindley. The club has chosen Shakespeare's "Pyramus and Thisby" for this year's play.

The Newspaper Club met to see about putting out another issue of "Secret Press" in the near future.

Student's Parliament met to discuss the upcoming spring fever frolic and the events connected with it. The Business Ed. 30 class and the Student's Parliament will open a concession booth to enable students to purchase hot chocolate and hot dogs on Friday afternoon.

CURLING

Tomorrow marks the last round in the second half of the school draw. The teams

go into the final match with there being a close battle for first place. The standings are as follows: Terry Mitchell 12; Norman Hill 10; Doug Barker 10; Lane Bryant 7; Kan Love 6; and Walter Kwak 3.

Paul Kane will be involved in a lot of curling action this weekend. There will be two teams, one skipped by Terry Mitchell the other skipped by Lane Bryant, entered in the Redwater High School Bonspiel. It will be held Sunday, March 14. Also, there will be one team entered in the Archbishop-Jordan bonspiel being held at the Broadmoor rink on Saturday, March 13.

Fishing Derby goes Sunday

By Laura Finkelsner

BADMINTON

Senior High: Eliminations are presently being conducted on Mondays and Thursdays for the Zone Badminton team. This year each school may send a total of 16 competitors (eight male, eight female) to the zone final and it will be held at Vital Grandin gym and the high school on Saturday, April 17. The singles participants will be determined by next week and eliminations will then continue for girls doubles, boys doubles, and mixed doubles.

Junior High: The Junior high badminton team will be competing against MacKenzie and Simpson schools on March 17, 24 and 31. The team will be made up of 12 participants (six girls and six boys) and practices are held during noon hours and on Wednesday after school.

GYMNASTICS

A good number of Junior and senior high girls are working out on Tuesday and Friday with Mrs. Marchand in preparation for the Zone Gymnastics competition which will be held at Salesbury School and this Sunday a group from McNally High will be coming to SAHS to work with our girls.

JUNIOR HIGH ELECTIONS
The results from the Junior high elections that were held last week are: Tom Curry, president; Bill Cunningham, vice-president; Colette Kambeltz, secretary treasurer.

CURLING

The results of last week's curling are as follows: Peter Bly over Todd Cassidy; Robert Letourneau defeated Mike Lyndon; Bill Wittschen clobbered Don Kennedy; Brian Kupisch edged Marie Van Tighem; Darrel Keenan squeezed by Julian Romanenko; Richard Hauptman got by Norman Roy.

HOCKEY

The undefeated Sooper Squad (teachers, naturally) are scheduled to tangle with the KC Oldtimers on Sunday at 5:15 in the arena. Old catalogues would be appreciated as a few teachers are shy on equipment.

SHARE-A-LENT

The movers are sponsoring a share-a-lent march to be held on Good Friday, April 9. The money collected from this march will help underprivileged families in many countries.

Buses will leave from the parish hall at 9:15 a.m. They will take you to Morinville to the east side of the overpass where the walk will begin. Finally ending up at the parish hall.

Upon completion you must make sure the Parish Seal is put on your sponsor sheet.

If you would like more information about the share-a-lent march contact Jonathan Oldfield on 599-7553, or phone the parish at 599-6691.

Valuable collection donated to school

Simpson Junior High Principal Bob Prather with Mrs. T. Atkinson who made a presentation of National Geographics to the school.

Mrs. Thomas Atkinson of 11048 - 126 Ave. Edmonton, widow of a former St. Albert district oldtimer, was presented with a silver coffee spoon and a corsage by Sir George Simpson Junior High as a token of appreciation for the very generous contribution of National Geographic magazines presented to the school.

These magazines covering the years 1928 - 1969, were subscribed to and saved in excellent condition by Mr. Atkinson, while the family resided in this district.

After they were given to the school by his widow, they were bound into volumes for use by students and staff. The students and staff of Sir George Simpson Junior High now, and for years to come will benefit from this contribution.

A complete index covering these volumes, as well as previous issues has been purchased by the school to accompany these volumes.

OUR MIRACULOUS MUSKEG

Many consider the vast muskeg swamps of northern and western Alberta to be wasteland! While it is true that these areas are generally unsuitable for agriculture, they provide a valuable wildlife sanctuary, learning with their own particular species of life.

COLOR TV PRESENTATION

In the interests of ecology, your gas company presents a half hour color documentary on "OUR MIRACULOUS MUSKEG." This is a program in the series, THE WORLD AROUND US, produced by Northwestern Utilities Limited for Alberta Television viewers.

WILDLIFE LECTURER AND PHOTOGRAPHER, EDGAR T. JONES, guides us through the Edson-Whitecourt and the Athabasca area. We watch the spectacle of the goose migration in the Habay area of Peace River -- and accompany Indians on a snow goose hunting trek.

Newcomers mark 5th year

The fifth anniversary of the St. Albert Newcomers Club was observed with a buffet supper and fashion show at the Purple Dade, March 3.

Fashions from the Kaleidoscope Shop were modelled by club members Marie Shtabsky, Bonnie Ferguson, Vivian Bergland, Barbara Potter, Daphne Anderson, Audrey Malek, Hilda White, Pat Christianson, Maryanne McGee, Doreen Gare and Jane Nelson.

Jessie Clendenning of Jim Byrne's Mens Wear gave the meeting some pointers on what to look for in latest mens fashions.

Mrs. H. Hutchings, of Hutchings Shoes, brought

along several of the newest styles in footwear.

Floral arrangements were by Grandin Flowers.

AROUND TOWN

The Sturgeon Health Unit has a program underway through the school to immunize all girls aged 12 against Rubella (German measles) in the current year. The program, using a new vaccine, will be on going, with the aim of immunizing all girls before they are of an age to get pregnant. Next year girls born in 1959 will be immunized. If a pregnant woman gets German measles, it can cause serious damage to an unborn fetus.

Council discusses

provide leadership and should check out any duplication of services. "We should set out the ground rules and then let them work - welfare will not disappear," he said. Councillor Lukay said he wouldn't like to hire a director and then find out the system will not work.

Mayor Gibbon pointed out that there were more services than homemakers involved - possibly many more, and then good preventive work might even mean a drop in costs eventually.

Secretary O'Connell was asked at the March 1st meeting on progress made in giving some information requested from the Department of Social Development. He said at the outset that he was concerned about the costs to the town. The municipal responsibility was reduced from five to one, under the Act of 1970, and yet costs have more than doubled. The secretary had talked to the provincial director, but felt there were no firm policies or regulations, and that the new set up leaves a lot to be desired.

Councillor Lukay said "it seems to depend on the officer - each one is different, and it is up to the town to set policy."

Mr. O'Connell noted that St. Albert's burden is \$44,000 yet he knew of towns roughly half this size where only \$1,000 was a burden on the municipality. He was asked if he had received a letter of instruction was requested. "Anything but" was his reply. "When I referred them to a section of the Act, they said the section was not applicable, and to ignore it." The secretary also felt it was hard to say whether Mr. Speaker or Mr. Henderson is in control, "but we are not getting any answers and should go to the man responsible for the act."

Councillor Russell also pointed out ambiguities in the letter from the department, and that council should get them clarified and get some definitions needed. Councillor Kambouroff pointed out that council had had people in from the department, as well as the phone calls and letters, and the department is just going in circles.

Secretary O'Connell felt council should get a case load report by number, not showing names, and the mayor agreed. Councillor Hudson said "if our costs are over \$44,000 it is time we battle this out with the department." A motion carried 5-0 that Mrs. Berthel be asked to prepare a case load report for the next committee meeting, following which an appointment would be arranged with the minister.

Angry residents

CONTINUED FROM PAGE 1

was hinted at by one resident of the area.

"Whenever there is a dispute, St. Albert Development Co., seems to come out on top," he said. He added that it was his contention that an investigation of the company would show that one or more of its shareholders at one time

held public office in the town.

Robert Gillespie, a lawyer who attended the meeting as legal counsel for a homeowner in the area, and whose firm was later retained to represent the group in its bid to stop the rezoning, told the meeting that its best course would be to politely approach their council members and make their feelings known to them.

"Don't antagonize these

erroneous impression that in zoning description "P" means parkland, while in fact, as Mr. Gibbon pointed out, it means public use.

The mayor also stated that part of the land, though by some of the residents to have been reserved for parkland, had always been shown as residential lots, and was in fact listed as such at the land titles office.

Possible impropriety on the part of certain members of previous town councils

people," he said. "The citizens position is usually the weakest in any zoning situation and it is the wrong approach for any group of citizens to think someone is pulling something fast."

The residents affected by the zoning change say the integrity of town council is at stake in this issue and are presently taking petitions around the district.

A public hearing will be held in the council chambers on Monday, March 15, at 7:30 p.m.

minor compared with the benefits to Alberta of the Bennett Dam.

The Delta again - "Certainly the Delta has been dry before."

The Bennett Dam - "We

favoured it at the time and still do."

Where does Mr. Henderson actually stand on the issues that will directly affect the quality of our lives?

Fish and Game members will have a chance to find out at the Club Mocambo, March 17 at 8 p.m.

Alexander Krupa honoured on his 90th Birthday

About 200 friends and relatives gathered at the parish hall Sunday afternoon for an open house celebration on the occasion of Mr. Alexander Krupa's 90th birthday. They came from Red Deer, Collinton, Federah, Westlock, Vegreville, Broderheim, Calgary, Lethbridge, Edmonton, Legal, Waugh, Camrose and St.

Feline Frolics

The A. Martineau family 28 Seymour Cres., is wondering what their one year old cat will do next.

Blackie, part Siamese, part ? became the proud mother of one kitten Sunday. Then two days later a second kitten arrived.

Blackie seems to have settled down now and is busily nursing her family, but the Martineaus wonder if this is the end of it.

The Gazette contacted Dr. Elizabeth Metz of the St. Albert Animal Clinic, who said while it is unusual for kittens to be born days apart, she has come across it before.

Dr. Metz said as a rule there are no complications in cases such as this, but would advise Blackie's family to keep a watchful eye.

Around Sturgeon

The people of Legal certainly know how to combine business with pleasure and their swinging celebration Saturday evening was no exception. First the work - (and there must have been lots of it, to make the evening run so smoothly) - and then the fun, as 460 gathered to support a village project. Last year the \$25 Plate dinner, dance and draw, raised enough money to buy stacking chairs, tables and drapes for the community centre. Back in the fifties the residents donated the provincial government's \$17 per head bonus for their hall, and they have held several \$25 Plate dinners in recent years, with all the catering work, organization and ticket sales done by volunteers. Legal's recreation centre is the result of a fine community spirit getting things done.

We note in the St. Albert Lions Bulletin and the

Albert.

Snacks and punch were served during the afternoon and later a buffet supper. Mr. Krupa's niece, Stella Szram, spoke for the Blyszczak branch of the family saying how pleased they were to be present, and expressing the affection of the family for Mr. Krupa and the high regard in which he is held.

Mr. John Krupa spoke on behalf of the family and thanked everyone for coming and helping to make the occasion such a happy one for his father. A tradition Ukrainian song, used for such joyful occasions was sung by all.

A highlight for the guest of honor came when the children present made an

unusual, but most appropriate presentation. It has been Mr. Krupa's habit over the years to have ready some dollar bills at family gatherings, which he enjoys handing out to the youngsters. On this special day the young folk thought they would reverse the procedure, and a long and happy line of them filed by - each with a dollar bill for 'grandpa'. Mr. Krupa was obviously greatly moved by this part of the proceedings.

He received many gifts and cards, including a beautiful bouquet of flowers from the community of Waugh, and a congratulatory telegram from his granddaughter Dianne Kozak in Montreal.

Born in Poland in 1881,

Alexander Krupa came to Canada in his early 20's and worked for some years with the Town of Strathcona in various capacities. After his marriage the couple got established on a farm in the Thorold district, moving later to the Waugh district.

Mr. Krupa was active on the farm till about eight years ago, when he retired and made his home base with his son John in St. Albert. Another son, Steve is still on the Waugh farm.

The Alexander Krupas raised a family of seven children, all of whom were present on Sunday: Josie (Kozak), Mike of Legal, Joe of Gibbons, Steve, John, Dave of Edmonton and Olga (Ongschiek) of Redwater. They have 22 grandchildren, all but two of whom were present.

The children and young people of his family added immensely to Mr. Alexander Krupa's enjoyment of the Open House held Sunday in honor of his 90th birthday. Missing from the photo are granddaughters Dianne Kozak of Montreal, Glory Krupa of Edmonton and Sharon Krupa of Whitehorse.

Breakfast Lions Bulletin, that both groups have been challenged to a broomball match by the Gibbons Lions Club. The match with the Bacon and Eggs Club goes in conjunction with Gibbons annual Ice Carnival on Friday night.

On March 20 the Gibbons team will take on the evening Lions, when the ladies are invited and a get-together is planned after the game for all but the stretcher cases. In these circumstances we feel that Lion President Glen Ward should not participate, since he is a pillar of strength on the Lions hockey team, and cannot afford a sprained toe or similar mishap.

Seated at the head table on the occasion of Mr. Alexander Krupa's 90th birthday celebration are Mrs. Zanka Borduzak, a friend of long standing, Mrs. Tatiana Rylszak, sister of Mr. Krupa, Mr. Krupa, Mrs. Nancy Geria, his sister-in-law and Mrs. Anna Adamkewich, an old friend and distant relative. In the background is four-year-old Isidore, who with his grandpa, are the youngest and oldest members of the large family. Photo was taken just before the 90 candles were lighted on the cake, at left of which is a second cake, baked and beautifully decorated with easter eggs, by Mr. Krupa's niece.

Gibbons Pythian Sisters Around Town install officers

A new slate of officers was installed at the Feb. 10 meeting of the Gibbons Pythian Sisters. Sister Ena Brydon, assisted by Jessie Miller and Grace McLean officiated at the ceremony.

Helen Milligan is Past Chief with Clara Williams assuming the MEC station. Lola Spence is Ex. Sr.; Maxine Gordon, manager and Muriel McCue has taken over the secretary's post. Treasurer is Hazel McLean, Jessie Miller is protector and Elenore Montpeller and Molly Hall are guard and pianist respectively.

The meeting also heard a resume of the Sisters' activities during the past year.

The auditor's report showed that the Pythian Sisters made financial donations to several funds. Among the recipients were the community centre building fund, the Murray Legate scholarship, Winifred Stewart School for Retarded Children, Alberta Heart Foundation, and the polio, TB and cancer appeals.

Honor was brought to Jub-

ilee Lodge in March last year when Hazel McLean, Gibbon post-mistress, was elected grand chief of the prairie provinces. Mrs. McLean will chair the grade sessions to be held in Calgary March 21, 22 and 23.

THANK YOU

Mr. Alexander Krupa would like all his family, relatives and friends to know how much he appreciated their kindness and thoughtfulness in making his 90th birthday such a happy occasion. The gifts, cards and expressions of good will, and most of all having so many old friends and neighbors join with the family, made it a day never to be forgotten.

Thoughts on Education Week

By Wilfrid Fitzpatrick

Although every week is education week in one sense or another for every living person, this week of March 7 to March 13 is set aside

across Canada for a more concentrated and therefore a more conscious recognition of the importance of education.

It would be quite wrong to think that education is

something "carried out" in schools. Schools are only a part, and a highly important part of educating for knowledge of total education. I believe we all realize that from the moment a child becomes aware of his surrounding his education has begun. A little mental calculation reveals that between birth and his 12th birthday a child is under the direct influence of the teacher for only one-eighth of that period. Quite a small fraction, then, of the processes of education can be undertaken in school.

Schools like to maintain the ideals of honesty and truthfulness. A good foundation in these reduces the tasks of the teacher. Similarly, obedience born out of respect for the adult's greater experience should be inculcated early. Care in the use of tools, equipment, and general property is another characteristic that can be extended in school when it is well practised out of school.

In these days of automation and mass production it is often stated that too many people are denied the satisfaction of pride in workmanship, in seeing the finished product, and so on. This might be truer than ever with the passing years. Perhaps we need to ensure that our children enjoy this satisfaction before it is too late.

It seems that education is as complex as life itself, (and open to as many different views) but I am confident that by joint efforts of homes and schools over the years of child growth, we can and will prepare a better generation.

Mr. and Mrs. Jos. L'Heureux of Legal are shown with some of the gifts they received on the occasion of Mr. L'Heureux retirement from CNR.

Jos L'Heureux retires

Mr. Joseph L'Heureux of Legal has retired from the CNR after 28 years of service.

He joined the CNR in 1942, working first at Brestonia, later moving to Hainsburg. After settling with his family in Legal in 1946, he worked in Morinville, St. Albert, Rochester and Legal.

Mr. Bob Milligan, roadmaster on the Walbridge to Edmonton and Morinville to Athabasca line was master of ceremonies at the banquet and social evening held in the community centre in honor of Mr. L'Heureux.

The supervisor of roadmasters presented Mr. L'Heureux with an engraved plaque, cuff links and tie pins on behalf of the CN staff. Mr. L'Heureux received a pair of binoculars from the section men.

Section foremen Jos Sen-luk, Richard Junker and John Pawluk congratulated Mr. L'Heureux and related how the latter was a very conscientious patient and a happy person, and how they had enjoyed working with him. On behalf of the section crew Mrs. Jack Kennedy presented Mrs. L'Heureux with a beautiful bouquet of flowers. A cake was presented to the couple by their children.

Speaking of the "good" old days, Mr. L'Heureux showed the stub of his first pay cheque which he re-

ceived 28 years ago for the amount of \$45 for two weeks! Pay scales have gone up some since then!

Mr. and Mrs. L'Heureux raised a family of six girls. Mrs. F. (Helene) Bocha, Mrs. L. (Simone) Bessette, Mrs. M. (Lorette) Pelletier, Mrs. W. (Juliette) Cyre, Mrs. R. (Celine) Kulesh and Mrs. T. (Jacinthe) Schneider. They also raised a foster child, Clarence Lannerman who has lived with the L'Heureux family 10 out of his 12 years. Mr. and Mrs. L'Heureux plan to take things easy for their retirement.

Advanced Sewing at Legal

The advanced sewing course marking the end of four lessons, was held Monday, March 1, at the recreation centre with 10 ladies present. A variety of attractive dresses, suits, and slacks were made. Taking part in the course were Caroline Zilinski, Judy Zilinski, Blanche Regimbal, Lillian Courneau, Mary Quaghebeur, Doreen Pawluk, Adeline Van Brabant, Anne Bikowski, Lorraine Kremer, Jeanine Rockwood. Special thanks goes to our home economist Pat Prymak for her help.

Morinville Council sets date for lands sale

Morinville town council, meeting in regular session, has set the date for a public sale of lands under the tax recovery act. The auction is to be held on Wednesday, April 21 in the office of the secretary-treasurer at 2 p.m.

In other business council gave third and final reading to the dog control bylaw. Permission was granted to Tars Forester to move a dwelling from Gibbons to Lot 44, Block 1, Plan 83, subject to the posting of a \$2,000 performance bond guaranteeing that the site and dwelling be brought to acceptable standards within three months from the granting of the permit.

Mr. Ken McAmmond, health inspector for Sturgeon Health Unit appeared before the council in reference to garbage disposal in the town. Mr. McAmmond will co-operate with the town in enforcing the garbage bylaw.

Staff was instructed to take steps to cancel the lane in the centre of Block 4 and the portion of Ether Street that lies between the south boundary of Dubuc Avenue to the south boundary of the town and all Laurier Avenue between the east boundary of Champlain Street and the east boundary of Ether Street.

The following were appointed to the Centennial Library Board: Mrs. A. Nobert, Sister Luciana and Mrs. C. Gregoire.

Town council voted to make the town office facilities available to the recreation board.

Edmonton Area Industrial Development Association came under discussion. After debate it was decided

that the town discontinue its membership in the association.

Namao 4-H plans

This past month has been quite a busy one for the members of the Namao 4-H Beef Club. With the kind co-operation of the curling rink at Lancaster Park, club members and their parents enjoyed an evening of curling, Friday, Feb. 12.

On Saturday, Feb. 20 the leaders and the members were invited to a grooming demonstration and judging day at the home of Mr. Nell Duggan. Those present picked up several good pointers on fitting a steer for the show ring. They also judged a class of finished steers. The club wishes to thank Mr. Duggan for his interest in their activities.

Monday, March 1 the regular meeting was held at the home of Mr. Doug Bowman. The rodeo was one of the topics under discussion. Also some of the members volunteered to be guides again and show the city children around the pavilion during the spring stock show.

The next regular meeting which is a "public speaking night" has been rescheduled and will now be held Monday March 29 at the Namao Church.

The club also wishes to thank Mr. Jack Burns of Edmonton who helped them make rope halters recently.

Patient: "What can I do about my terrible dandruff problem, Doctor?"

Scalp specialist: "My advice is to dye your hair white and walk very slowly."

MRS. PHOEBE CROZIER

Mrs. Crozier feted

The 83rd birthday of Mrs. Phoebe Crozier was celebrated in grand style when family and friends gathered at the Norwood Auxiliary Hospital, Feb. 26.

Mrs. Crozier, who was

born and raised in the Namao district, has been a resident of Norwood for the past two years.

Still enjoying good health Mrs. Crozier spends her days reading, working at handicrafts and entertaining her many visitors.

A preacher at a revival meeting in the South launched into his tirade against gambling. A buxom old lady sitting in a front pew nodded vigorous approval and spoke emphatic amens. Then suddenly, he switched his attack to gossipers. He recently ardent supporter was immediately indignant. "Now," she said loudly, "he's stopped preachin' and took to meddlin'."
